SPONSORSHIP PROPOSAL

Help kick start the ride by sponsoring us today!

About **MOTOCYC**

Camp Quality's Motocyc was created as part of a range of challenge events where ordinary people can do the extraordinary. This event is all about motorbikes, mateship and the common goal of helping to give kids facing cancer the chance to be kids again.

In 2020 Motocyc will take place over three days between 27th - 29th March exploring regional NSW. This year the route will travel from Newcastle to Port Macquarie and Armidale and includes both on road and off road options. An amazing group of 50+ characters with great attitudes will spread laughter and happiness as we travel while raising funds to help give kids and their families impacted by cancer every opportunity to thrive.

About Camp Quality

Camp Quality gives kids facing cancer the chance to be kids again.

Our services and programs are made specifically to help children 0-13 who are dealing with their own diagnosis or the diagnosis of someone they love, like a brother, sister, mum or dad. We are there for them through the daily ups and downs of cancer, providing opportunities to laugh, make friends and have new adventures.

By creating positive memories, Camp Quality helps change the cancer story for kids and their families: in-hospital, at home, at school and away from it all.
