With a choice between two different routes, participants can take in the scenery on a leisurely road cruise or head off the beaten track with the adventure option

Adventure Riders and **Road Riders** will hit the road together, making their way to Cooma via the Royal National Park Lookout and Wollongong, before parting ways around Moss Vale.

Both the adventure and road routes promise riders a taste of historic rural towns, valleys and villages in the Southern Highlands and Snowy River catchments.

A THREE-DAY MOTORCYCLE ADVENTURE WITH A MISSION TO HELP KIDS FACING CANCER

Looking for a great excuse to explore the rugged beauty of Australia on a motorbike?

Set off from North Sydney with around 70 other riders through historic regional towns and grazing lands, to the stunning landscapes of the Snowy River catchment and Southern Tablelands.

Spend two nights in Cooma, the largest town in the Snowy Mountains, which offers **striking alpine views and some of the best winding roads in NSW** — making it a dream destination for motorbike riders.

THE DIFFERENCE YOU MAKE

Together, Motocyc 2023 participants aim to raise \$180,000
That's enough to fund:

Six **Cancer Education Programs** covering 20 primary schools or preschools;
Two **Family Fun Days** with 25 families at each day; and
Four full **Family Camps** with more than 20 kids and families at each camp.

\$5000

Fully funds one **Cancer Education Program** for four primary schools or preschools, helping to reduce the likelihood of bullying and create inclusive school communities for kids impacted by cancer.

\$15,000

Supports a **Family Fun Day** for up to 25 families to experience a special day out and create happy memories not centred on illness.

\$30,000

Enables us to host a full **Family Camp** for 3-5 days, bringing together over 20 kids and families to take a break from cancer, enjoy quality time together, and build support networks with other families.
